

# Technology adaption project

-Sanskrita Bharati Aksharam, Bengaluru

- The main goal of the project was to publish ancient Sanskrit text which are not in circulation now.
- The Platform of the publishing is Wikisource, one of the famous digital libraries of the world, running by Wikimedia foundation in more than 200 Languages. In wikisource we can add the books in searchable format.
- The books uploaded in the Wikisource can be downloaded in various formats like PDF, DJVU, MOBI, EPUB, UTF-8 etc.
- The printed copy of the published books are submitted to CSU.
