The compilation & analysis of the second cycle of the programme of this year held between December, 05 to March, 06 is in progress. The same response is received during this cycle also. Thus, the likelihood number of participant learners of both cycles would be more than 40,000.

As a result of opening of N.F.S.E. centres throughout India, people have become familiar with Sanskrit and the cultural heritage of India. People from all castes and communities of the society evinced great zeal for learning Sanskrit. Grand inauguration and valedictory functions were organised at various centres. Study material of Prathama Deeksha & Dwitiya Deeksha prepared by Rashtriya Sanskrit Sansthan was the main base of teaching Sanskrit at their respective centres. The students have regarded this study material as excellent. Certificates of participation were awarded at the end of the Prathama/Dwitiya Deeksha to those students who had either attended minimum 75% of their classes or who had passed the examination conducted by their local centres.

These Non Formal Sanskrit Education Centres were not only conducted in cities and metropolitan cities of the country, but they were also conducted in remote small villages, small towns, inaccessible areas of Jammu & Kashmir and North-East states. Sanskrit teachers had to come from far off places also. The venue of these centres was the Universities, Colleges (Degree College), Inter Colleges, High and Higher Secondary Schools, Junior High Schools, Public Schools and Voluntary Organisations throughout the country. The results are very pleasant and amazing.

For the proper functioning of these centres, State Coordinators were nominated in the State who received proposals regarding centres, centre coordinators and teachers from respective State. Sanction for conducting centres was also accorded by the Sansthan on receiving direct proposals from various Institutions.

### **6.3 SHASTRA CHUDAMANI SCHEME**

**Scheme for utilization of services of Eminent Literary Scholars in Campuses of the Sansthan, Adarsh Sanskrit Pathashalas and other State Government run Sanskrit Colleges and Voluntary Sanskrit Organisations.**

#### **Objective**

The object of the scheme is to preserve the indepth study of various shastraic subjects in Sanskrit at the various centres where traditional system of Sanskrit education is being imparted to students. While in the ancient days, the system of education envisaged a full time association of the teacher and taught for a period of about 12 years minimum and they had enough time to cover the various intricate Shastraic subjects in all details and the students had the opportunity to acquire mastery over particular subject in a comprehensive manner. In the recent past, the modern system of education, having prescribed syllabus for a limited period with selection from text-books, has influenced the Sanskrit education system as well and as a result even Sanskrit subject where students are supposed to have specialised at the post graduate level, due to shortage of time available, there is no scope for teaching the higher texts in detail and in full. As a result the products of this system, though they are quite proficient in the basic tenets of their subjects are lacking in indepth and exhaustive knowledge of the higher treatises written in these subjects.

Soon after they passed out of the post-graduate level, domestic needs compel them to enter into a bread winning avocation. Out of such post-graduated we are now to recruit young teachers and lecturers and though they are very much interested in pursuing their studies further, they dont have the facilities to do so in the institutions where they are employed as a result, while these lecturers efficiently fulfil their part of coaching their students for their respective examinations, they are not attending that eminence in their respective branches which their predecessors, 2 or 3 decades ago, were able to achieve. Their academic interest should not be exploited and their scholarly lacunae should be removed so that they will be better equipped to serve the cause and will be able to produce a generation of students who will be really mastering the respective subjects.

In order to achieve this objective, there are fortunately for us, a few old scholars still alive and physically and mentally alert and they may be usefully utilised for a few more years. They are not necessarily scholars with any university degree or qualifications but still they are masters in their own fields and there would not be any compunction on the part of the young teachers to study under their feet. They will be also adding to the academic atmosphere of the institution and will be readily available to clear the doubts of both the teachers and taught.

#### **Implementation**

Under this scheme, not more than two scholars in each of the Campuses of the Rashtriya Sanskrit Sansthan, Adarsh Sanskrit Pathashalas, Sanskrit Universities and one scholar in established Sanskrit Colleges run by the State Govt. or substantially financed by the State Govt. and Voluntary Sanskrit Organisation are normally appointed. Such appointments are made on recommendations of Grant In Aid Committee consisting of the experts on the basis of applications received through the concerned institution. The appointment so made is initially for a period of two years. An extension of one year may, however, be granted by the committee on the basis of specific report of the Head of the institution. An honorarium of Rs. 2500/- per month is paid to the appointed scholar.

During the year under report, 39 Shashtra Chudamani Scholars were appointed in different institutions.

#### **6.4 VOCATIONAL TRAINING SCHEME**

##### **Financial Assistance to Registered Academic Organisations to conduct "Prayogic Prashikshan" to the products of Traditional Sanskrit Pathshalas/Institutions.**

With a view to create employment opportunity for the traditionally educated candidates in some specialised departments, a scheme of extending financial assistance to registered academic bodies to provide short term orientation courses to the products of traditional Sanskrit Pathshalas/Institutions was introduced. The subjects to be taught are Manuscriptology, Cataloguing, Paleography, Sanskrit Typing and Short Hand, Jyotisha, Karmakanda and Epigraphy etc.. These training courses are conducted for different short terms; normally for three to nine weeks. During this period, academic bodies may invite specialists in respective fields to give coaching to the students. Intending institutions are required to apply in a prescribed application form for holding any such programme. They have also to advertise the short term courses in the local news papers and invite applications from students who want to avail of it. There may be a normal registration fee of Rs. 5/- per student. Each student is paid an out of pocket allowance of Rs. 10/- per day for which he is given the training. The specialist instructor is normally paid an honorarium of Rs. 100/- per day.

Detailed applications are considered by an expert/Grant in Aid Committee for making recommendations on merit. The Sansthan releases 75% of the total estimated expenditure as approved by the Committee, in advance to the institution concerned and the remaining 25% on receipt of the audited accounts and a report of the vocational training course.

During the year under report, 18 institutions were extended financial assistance for conducting orientation courses.

#### **6.5 SANSKRIT DICTIONARY PROJECT**

The project to prepare an encyclopaedic Sanskrit Dictionary on historical principles spanning the period from 1500 B.C. upto 1900 A.D. has been undertaken by Deccan College, Pune. The project was started in the year 1948. The work on 8th volume is in progress. The project was primarily financed by Govt. of India and to some extent by Govt. of Maharashtra. **Audit Report on the accounts of the Rashtriya Sanskrit Sansthan, New Delhi for the year 2005-06**

**Introductory**

The Rashtriya Sanskrit Sansthan (RSS), an autonomous organisation (now Deemed University) registered under the Societies' Registration Act, 1860, with its Headquarters at New Delhi, was established by the Government of India in October, 1970. The main objectives of RSS are (i) to propagate, develop and encourage learning of Sanskrit, (ii) to undertake, aid, promote and coordinate research in Sanskrit learning including teachers' training and manuscriptology and to bring out publications, and (iii) to establish, take over and administer Kendriya Sanskrit Vidyapeeths in various parts of the country. There were ten such Vidyapeeths under RSS during the year 2005-06.

The audit of the accounts of RSS has been entrusted to the Comptroller and Auditor General of India under Section 20(1) of the Comptroller and Auditor General of India's (Duties, Powers and Conditions of Service) Act, 1971 for a period of five years from 2003-04 to 2007-08.

The RSS is mainly financed by grants received from Government of India for its activities. During the year 2005-06, it received grants of Rs. 3297.69 lakh (Plan Rs. 1647.69 lakh and Non Plan Rs. 1650 lakh) from the Ministry of Human Resource Development, Department of Secondary Education and Higher Education. During the year, the Sansthan also generated its own receipts Rs. 179.54 lakh. The total expenditure during the year was Rs. 3765.22 lakh (Plan: Rs. 1768.09 lakh and Non-Plan: Rs. 1997.13 lakh). The excess expenditure was incurred by the RSS from its own sources. The unspent balance of Rs. 64.57 lakh of NER of grant of previous year was not disclosed by the RSS in the accounts.

**Comments on Accounts**

**2. Balance Sheet**

**2.1 Assets**

**2.1.1 Overstatement of fixed assets — by Rs. 2033.55 lakh**

The fixed assets include an advance of Rs. 2033.55 lakh which has been paid to CPWD/PWD for construction of buildings. This has resulted in overstatement of fixed assets and understatement of current assets (Loans and advances).

**2.1.2 Wrong depiction of NPS amount of Rs. 3.45 lakh (Balance in the Bank)**

The RSS has not reflected the amount of Rs. 3.45 lakh (Bank Balance) of New Pension Scheme of different campuses in Consolidated Balance Sheet under the head New Pension scheme.

The RSS replied (Dec. 2006) that while depositing the amount with the bank the Regional campuses have clubbed the amount of New Pension scheme with GPF. The amount of Rs. 3.45 lakh pertaining to NPS of campuses has been deposited in GPF Account and included under column GPF/CPF amounting to Rs. 12,50,59,791/- exhibited in the consolidated Balance Sheet as on 31.3.2006. This amount should have been shown separately under the head "New Pension Scheme".

**3. Income and Expenditure Account**

**3.1 Income**

**3.1.1 Overstatement of income by Rs. 911.83 lakh**

In the consolidated Income and Expenditure Account, the unspent balance of Rs. 911,83,215 of the last year had been depicted as income of this year resulting in overstatement of income by Rs. 911,83,215.

**4. General**

**4.1 Annual accounts not prepared in the revised format of Accounts**

The Government of India, based on the recommendation of 'Committee on papers laid on the table of Parliament', has introduced a common format of accounts based on accrual accounting for the Central autonomous bodies to bring uniformity and transparency in the accounts. The common format is mandatory for all central autonomous bodies. The RSS has not prepared its accounts in the prescribed format.

**4.2 'Significant accounting policies' and 'Notes on accounts' not appended to annual accounts**

RSS had not disclosed its 'Significant Accounting Policies'.

**4.3 Depreciation on assets not charged**

No depreciation had been charged on the fixed assets by RSS.

**4.4 Non provision of pension, gratuity and leave encashment**

RSS had not made any provision for pension, gratuity and leave encashment.

**5. Net impact on accounts**

The net impact on accounts is that fixed assets are overstated by Rs. 2033.55 lakh, and income is overstated by Rs. 911.83 lakh.

6. Deficiencies which have not been included in the audit report have been brought to the notice of the Registrar of the RSS through a management letter issued separately for corrective and remedial action.
