From the Desk of Vice-Chancellor

I am extremely happy to present the Annual Report of 2021-2022 of Central Sanskrit University, Delhi. In this period the University has made giant strides towards its glorious future strengthening its commitment to excellence. This institution made its humble beginning as Rashtriya Sanskrit Sansthan in 1970 under the MHRD with additional responsibility to implement the Central Schemes as the Government's nodal agency. It became a Deemed to be University on 7th May, 2002. Finally, sequel to the approval of Hon'ble President of India, it was transformed into Central Sanskrit University from 30th April, 2020. It is a unique institution with its 12 campuses spread across India. It manages the administrative and financial management of 26 Adarsh Sanskrit Mahavidyalayas located in significant locations of India under Central Scheme for the promotion and popularisation of Sanskrit education and research. It also manages many affiliated Sanskrit institutions.

Each and every citizen and institution has a spirited response to the clarion call of the Hon'ble Prime Minister, Shri Narendra Modi for "Aatma-Nirbhar-Bharat". This institution proudly announces its role being played in this patriotic campaign. It is also a proud partner in playing a constructive role in rebuilding of the nation. This institution is committed to Sanskrit education and research to fulfill the dreamy and ambitious vision of the Hon'ble Education Minister, Shri Dharmendra Pradhan in making India as the global hub with the promotion of Indian Knowledge System. It is noteworthy in this context as the University has implemented the New Education Policy, 2020 from the current academic session itself with its new curriculum catering to NEP. It has initiated many activities conducive to NAAC guidelines to enhance the academic quality, which can increase in leaps and bounds in future. Its Information and Communication technology is very extensive and strong for the administrative transparency and for the quick action. With decentralisation of powers is in vogue, the administrative and leadership skill of the University is of certainly next level beyond any doubt.

It has organised many activities during this period of the celebration of Amrit Mahotsav of India's Independence. Under Amrit Mahotsav Granthamala, many socially relevant books have been published. It relentlessly pursues its mission of providing quality Sanskrit education, teaching and research and thereby helping in the achievement of national goals. It has taken up the gigantic task of the preservation of scriptures by using the most advanced technology. For the all round development of skills of students, it conducts various programmes like, All India Youth Festival, Sanskrit Saptah Mahotsav, Sanskrit Natya Mahotsav and other government directed programmes like Yoga Day, Teachers Day, Education Day, Hindi Pakhwada, Swachhata Saptah, Unity Day, Vigilance Awareness Week etc.

The University has accepted the huge challenge thrown at it by the disastrous and diabolic Corona pandemic. Online classes are conducted without putting the students and staff at life-threatening risk of Covid-19. Thus, a precious academic year could be saved. I have undertaken several notable skills based short term courses to be implemented in line with the guidelines of NEP, 2020. The curriculum has been designed accordingly to inspire and motivate the students to learn in an enlivened atmosphere. This institution certainly plays a pivotal role in fulfilling the dreams and the aspirations of our great visionary and dynamic Prime Minister and Education Minister. Glorious future belongs to this University without an iota of doubt. It is worth mentioning that the University has done a great work on NAAC accreditation through the successful submission of Self Study Report. Finally, I conclude on a thankful note expressing my gratitude to all my colleagues in bringing out this Annual Report with at most precision and accuracy. I also hope that the University attains its incredible and excellent status through the achievement of the highest standards.

With this hope, this Annual Report, 2021-2022 is presented with respect.

Prof. Shrinivasa Varakhedi
Vice-Chancellor
Central Sanskrit University, Delhi
